

**DECISION OF THE  
HIGH REPRESENTATIVE**

n. 13/02

***In the exercise*** of the powers vested in the High Representative by Article V of Annex 10 (Agreement on Civilian Implementation of the Peace Settlement) to the General Framework Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theatre regarding interpretation of the said Agreement on the Civilian Implementation of the Peace Settlement; and considering in particular Article II.1. (d) of the last said Agreement, according to the terms of which the High Representative shall "Facilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation";

***Recalling*** paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997, in which the Peace Implementation Council welcomed the High Representative's intention to use his final authority in theatre regarding interpretation of the Agreement on the Civilian Implementation of the Peace Settlement in order to facilitate the resolution of any difficulties as aforesaid "by making binding decisions, as he judges necessary" on certain issues including (under sub-paragraph (c) thereof) "measures to ensure implementation of the Peace Agreement throughout Bosnia and Herzegovina and its Entities";

***Considering*** paragraph 12.1 of the Declaration of the Peace Implementation Council which met in Madrid on 15 and 16 December 1998, which made clear that the said Council considered that the establishment of the rule of law, in which all citizens had confidence, was a prerequisite for a lasting peace, and for a self-sustaining economy capable of attracting and retaining international and domestic investors;

***Considering further*** paragraph 3 of Annex II (Rule of Law and Human Rights) to the last said Declaration, according to which the establishment of judicial institutions at the State level, which meet an established constitutional need to deal with criminal offences perpetrated by public officials of Bosnia and Herzegovina in the course of their duties, and with administrative and electoral matters, is a precondition for the establishment of the rule of law in Bosnia and Herzegovina;

***Recalling*** the Declaration of the Peace Implementation Council, which met in Brussels on 23 and 24 May 2000, and the Annex thereto, pursuant to which the adoption of a Law on a Court of Bosnia and Herzegovina was envisaged by September 2000;

***Recalling in addition*** that the Council of Ministers of Bosnia and Herzegovina and the Parliamentary Assembly of Bosnia and Herzegovina did not pass the said Law on Court of Bosnia and Herzegovina through the regular procedure and considering the necessity to establish the Court the High Representative issued the Decision imposing the Law on Court of Bosnia and Herzegovina on November 12, 2000;

***Bearing in mind*** the reinvigorated strategy for judicial reform to strengthen the Rule of Law efforts in Bosnia and Herzegovina in 2002/03 which was endorsed by the Steering Board of the Peace Implementation Council on 28 February 2002 and noting that the aforementioned strategy was devised in response to calls by the authorities in Bosnia and Herzegovina for firmer International Community actions to tackle economic crime, corruption and problems inherent in the judicial system;

***Noting*** that the Steering Board of the Peace Implementation Council in Sarajevo on 7 May 2002 called upon the local authorities to ensure the rapid establishment of the Court of Bosnia and Herzegovina reminding the Bosnia and Herzegovina authorities that the Appellate Division of the Court needs to be operational in order to adjudicate election complaints and urging the authorities to immediately find a sustainable solution to the problem of the location of the Court;

**Noting further** that the communiqué of the Steering Board of the Peace Implementation Council issued at Sarajevo on 31 July 2002 stated that the Board welcomes the creation of the Special Chambers and endorses the proposal of the High Representative to include national and international Judges and Prosecutors in a Special Panel/Department for Organized Crime, Economic Crime and Corruption in the Court of Bosnia and Herzegovina and the Prosecutor's Office of Bosnia and Herzegovina;

**Bearing in mind** that criminal activities continue to infringe on the economic, fiscal, commercial and other social rights and interests of the citizens of Bosnia and Herzegovina and that the establishment of a Special Panel for Organized Crime, Economic Crime and Corruption within the aforesaid Court of Bosnia and Herzegovina will advance the robust fight against crime in Bosnia and Herzegovina;

**Convinced of** the vital importance to Bosnia and Herzegovina of ensuring that the rule of law is strengthened and followed in order to create the ground for economic growth and foreign investment;

**Mindful therefore** both of the urgency and of the need to establish the Special Panel for Organized Crime, Economic Crime and Corruption in the Court of Bosnia and Herzegovina and for all the reasons as aforesaid,

I hereby issue the following
